COMPANY OVERVIEW

Comcentric is a woman-owned staffing firm that has delivered IT, cybersecurity and professional talent to enterprise clients for 23 years. We give federal agencies and prime contractors a fast, compliant path to qualified contract, temp-to-perm and direct-hire professionals, available now through our GSA Multiple Award Schedule.

CORE COMPETENCIES

IT Staff Augmentation
Developers, ERP/CRM specialists, cloud and help-desk talent

Cybersecurity Staffing
Security analysts, IAM, vulnerability and compliance support

Network & Infrastructure
Network engineers, LAN/WAN, data center and monitoring staff

Temporary & Surge Staffing
Project-based, seasonal and on-demand professional support

Direct Hire & Executive Search
Permanent placement for hard-to-fill and leadership roles

HR & Workforce Solutions
Onboarding, payroll, compliance and contingent workforce management

RELEVANT EXPERIENCE

ERP/CRM Consultant Staffing · Fortune 100 Implementations

Commercial · State Local · Public Sector · Since 2003

Supply vetted CRM and ERP consultants that our partner deploys on mission-critical Fortune 100 programs, with ongoing account support from requirement through onboarding.

IT Contract Staffing · Enterprise Clients

Commercial · State Local · Public Sector · Since 2003

Recruit, vet and place IT, network and security professionals on contract, temp-to-perm and direct-hire terms, managing onboarding, payroll and compliance for contingent staff.

Teaming with Primes

As a certified WOSB, WBE and MBE, Comcentric helps prime contractors meet small-business subcontracting goals. We welcome teaming, subcontracting and mentor-protégé partnerships.
